COMMODITY LISTING

This classification is a structured 5-digit classification of goods and services, and is based on commodity groups of the Consumer Price Index. The left most digits denotes the commodity parent group, the next pair denoting the sub-group and the last pair, the item.

There are eight groups of expenditure items:

1. Food
2. Housing
3. Household Operation
4. Clothing and Footwear
5. Transport
6. Tobacco and Alcohol
7. Payments of Credit Schemes and Loans
8. Miscellaneous Goods and Services

These codes are to be used in the processing of the 2004 Cook Islands Household Expenditure Survey. Additional codes maybe added if commodities are significant.
