

COVID-19 Economic Response Plan

Wage Subsidy & Business Cash Grants

Beneficiaries and Payments, 26 May 2020

Summary

The wage subsidy and business cash grants are two of the key COVID-19 Economic Response Plan measures currently being rolled out by the Government to support businesses and their employees during the pandemic.

The wage subsidy, based on the minimum wage, is available for a 3-month period to businesses that are significantly impacted by the COVID-19 pandemic, with payments made on a monthly basis:

- \$266 per week for a full-time employee working 20 hours per week or more;
- \$133 per week for a part-time employee working between 5 and 19 hours per week.

The one-off business cash grants, which vary by business size, provide an immediate cash injection to registered businesses that are affected by the pandemic.

Business Category	Turnover	Grant
Sole trader	N/A	\$3,000
Small business	<\$300,000	\$5,000
Medium business	\$300,000 to \$5 million	\$10,000
