### MIGRATION STATISTICS

September 2020

Total arrivals for the month of September 2020 was 140 of which 96 are returning Cook Islanders. A total number of 122 departures left for a short term or permanently. Since April 16<sup>th</sup> this year, Cook Islands declared “as a COVID-19 free zone” however the escalating threat of the pandemic COVID-19 has forced countries to continue to close their borders.

With one international flight a week, there are exemptions applied to the border closure that allows for returning Cook Islanders and work permit holders to return to Rarotonga provided they undertake two weeks supervised quarantine in Auckland and again here on Rarotonga.

The total Resident departures for September 2020 (40).

Further information about this release can be obtained from the Statistics Office.
